The Church is a Church of Scotland congregation established under the unitary form of constitution.

The Elders serving on the Kirk Session are the trustees of the charity and have been chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery. The Kirk Session is responsible for the recruitment, appointment, induction and training of new trustees, when required.

The Kirk Session met 14 times during the year, with meetings considering both the practical and spiritual matters of the church. Routine business is dealt with by circulation of papers.

The Trustees who served during the year (Elders and Treasurer) were as follows:

### **Objectives and activities**

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

### **Achievements and performance**

### Congregational life

Appointment of Treasurer

In 2022 the church's longstanding treasurer, Mr Con Kelly, announced his decision to resign, having served for many years as an elder and treasurer. We were grateful for the work Con did in that capacity and for the service that he and his wife, Dorothy, contributed to the church. We wished them well as they went off to spend an extended time in Ireland. It meant that the year began with the need to appoint a new Church Treasurer. Once again, we were blessed when, in January 2023, a well qualified candidate, Mr Keith Palmer, offered his services for the post and we were delighted to appoint him as treasurer.

### World Day of Prayer

An important event took place on 3 March 2023 when, at the invitation of the Bo'ness Churches Together, St Andrew's Church hosted the service for the World Day of Prayer. This is a global ecumenical service which is held each year in March. In 2023 the order and contents of the service were written by the women of Taiwan. It was a moving service the theme of which concentrated on the need to pray about suffering and injustice in the world. The occasion was very well attended and members from all the Bo'ness churches participated in readings and prayers. A social gathering was held after the service at which a very warm atmosphere prevailed. The responsibility to host the World Day of Prayer in 2024 was formally passed on to St Mary of the Assumption Church and was gladly accepted by them.

### Petition to the General Assembly

Also in March, the Kirk Session began giving consideration to whether or how online members of our church congregation could be permitted to vote online (rather than in-person only) at Congregational Meetings. The question was precipitated by two matters: firstly, because discussions about church union had been taking place over the last few years and it was clear that at some point it would be necessary to conduct a congregational vote; and secondly, because certain relaxations relating to online voting that had been introduced by the Church of Scotland during the Covid pandemic would be lapsing at the 2023 General Assembly. This meant that the only permitted way to vote at a Congregational Meeting would be in person, in church, on the day. Because St Andrew's members have long been accustomed to joining worship online and participating in business online, as well as attending in-person meetings, the Kirk Session decided to submit a petition to the General Assembly requesting approval of such online congregational voting. Consultation was held with the Convener of the Legal Questions Committee, following which a petition was prepared and submitted in the name of St Andrew's Bo'ness to the 2023 General Assembly. The petition was ably presented to the General Assembly by Rev Derek Gunn Locum Minister, Session Clerk Neil MacLennan and church member Andrew Wells, all of whom spoke persuasively to the reasons behind the Petition. After a period of discussion and debate, the General Assembly agreed to instruct the Legal Questions Committee to bring forward proposals for the consideration of a future Commission of Assembly. These proposals would enable congregational meetings convened for any purpose to be held wholly in-person or by a combination of in-person and online (ie hybrid format). In November 2023, after wide-ranging consideration of the operational conditions that should apply and the necessary safeguards that would be required, a Protocol was prepared which proposed that, in addition to Congregational meetings being held wholly in-person, they may be held in hybrid form, meaning that attendees would be permitted to be present in-person or online. At the end of November, a meeting of the Commission of Assembly took place and approved the Protocol. The decision took effect from 1 December 2023. It proved a satisfactory outcome to the petition that was put forward by St Andrew's Kirk Session.

### 180<sup>th</sup> Anniversary Celebrations 1843 - 2023

The main event of the year took place on 12 and 13 August 2023 when celebrations were held to mark the 180<sup>th</sup> Anniversary of St Andrew's Church. Invitations were sent to current and former members of the church and to people and groups in the wider community. Requests for photos and memorabilia were made and many memorable contributions were received and displayed at a St Andrew's Exhibition over the two days of the Anniversary celebrations.

180<sup>th</sup> Anniversary Celebrations 1843 – 2023 (continued)

On Saturday 12<sup>th</sup> August we were able to welcome visitors who not only enjoyed the memories and stories evoked by the Exhibition but who also attended a Celebration Party offering food and activities and music played by the church worship team. It included a wonderful performance of dance and song by young people. On Sunday 13<sup>th</sup> the Exhibition continued and there was a Celebration Worship Service led by Rev Derek Gunn. The lead organisers of the 180<sup>th</sup> Anniversary Celebrations were the members of the St Andrew's outreach and pastoral care team who put in an enormous amount of work to make it all come together in a most wonderful way. Many other people were involved and thanks were expressed to them and to all who kindly offered contributions to the Exhibition.

## Church Groups and Regular Events

The church hall continued to be used on a weekly basis by the Boys' Brigade, Guides, the Tuesday Club, the Men's Group and the Friday Youth Café. A number of family birthday parties and celebratory occasions were held in the hall during the year. We also saw many other social activities taking place during the year, as described elsewhere in this report.

### Worship

Sunday Worship was conducted every Sunday on a face-to-face basis, live-streamed and also made available as a recording on the Church website.

Holy Week was celebrated with our sister Congregations from the different denominations in the town of Bo'ness. The Easter Sunday Service was centred around reports from "Jerusalem News" – filmed interviews as if TV cameras had been present for the events of that first Holy Week. Thanks are given to 2nd Bo'ness Boys' Brigade Company for the work that they put into this.

As mentioned earlier, we held a Service of Celebration for our 180th anniversary on 13th August. As a congregation we were delighted that a former Minister, The Very Rev Albert Bogle and his wife - or should we simply say Albert and Martha - joined us on that day. Albert preached a sermon on the theme of Crossroads and the thought that celebrating the past points us towards the future. We celebrated our young people by showing clips of the recent Summer Holiday Club, and another wonderful feature of worship that day was the inclusion of hymns written over the years by members of the congregation. Representatives from local Congregations joined us and brought messages from their congregations. Following the service, we shared a time of friendship and fellowship as we enjoyed lunch.

The Sacrament of Holy Communion was celebrated on five occasions during the year, including an early Easter Morning celebration. Members of the Congregation also took part in celebrating the Sacrament of Holy Communion at Linlithgow Care Home on two occasions, the first being Easter Monday and the second on 6th November which was combined with an Act of Remembrance. Following our own Remembrance Sunday Service, members of the Congregation shared in the town service with our Boys' Brigade Company laying a wreath. Towards the end of the year, as a result of the main church heating system being condemned, the Sunday Services were conducted in the Hall. It was decided, on that basis, that the Watchnight Service would be on Zoom with a short face-to-face service on Christmas Day.

The regular Kirk Session meetings were opened with a short Act of Worship consisting of Reading, reflection and prayer and were closed with prayer. Our Wednesday group met regularly for Worship including themed reflection led by an Elder, Douglas Farmer.

### Mission plan

Kirk Session continued to meet, usually on the last Tuesday of the month, and attended to the business of the church. At these meetings, the Session continued to engage with the Five Marks of Mission, in a programmed way to guide our thinking on the Mission of our own Congregation.

Report of the Trustees for the year ended 31 December 2023

### Mission plan (continued)

In terms of the Cluster Plan, a series of meetings were planned by Presbytery for late September/early October. At the first of the meetings, the Presbytery Mission Plan was remitted back to the Committee to discuss further the rationale behind decisions where there was significant impact on the Congregation(s) involved. The Cluster Plan was also changed when the Congregation of Carriden Parish Church decided to dissolve. It duly did so on 31 December 2023 with its Parish being conjoined to the Parish of St Andrew's under the care of their (Locum) Minister and Kirk Session.

At the end of 2023, the Presbytery Mission Plan remained to be agreed and therefore no progress could be made on our specific Cluster.

#### **Outreach and Pastoral Care**

After Sunday morning worship we were able to continue serving refreshments and social mixing. This informal opportunity to meet in person and exchange family and other news is invaluable.

We also held six afternoon tea events in the church hall, three in the spring and three in the later part of the year. Two of the afternoon teas were fundraising events which included a daffodil tea in March to raise funds for Strathcarron Hospice and another in aid of Macmillan Cancer Support in October. One of our elders facilitated a quiz at some of the events and these were much enjoyed and well attended by current and past members of the congregation.

Cards and small gifts were made and delivered to senior members of our congregation for Easter, Mother's Day and Father's Day and Christmas, with additional gifts for our children at these special times. A very successful Summer Holiday Club was organised which was very well attended by local primary schoolchildren (see Youth Activities for details). This opportunity to provide a safe play and craft area while teaching our children about Jesus is key to our outreach and discipleship.

Pastoral care contact with our wider congregation was continued with personal visits, telephone calls and cards on significant events and anniversaries. We lost four longstanding members of our congregation during the year but were able to remember and support their families.

The Pastoral Care team were heavily involved in the successful 180th Anniversary Celebrations which have already been described above. The team also arranged a congregational Christmas Dinner which was held on 18th December at which full festive fare was made and served by Pastoral Care team members. The food and entertainment were much enjoyed by all those attending and in a very special way it rounded off all our social activities for 2023.

#### **Youth Activities**

The Summer Holiday Club this year had "Seaside Rock" as its theme and it was held during the week 7-11 August. Sixty primary age children registered, although the numbers attending varied day by day. It was very successfully led by excellent volunteers and the children enjoyed the food and experienced fun and games and the many activities that were on offer. We were able to use the BB marquee for this in the church garden. The holiday club was supported by local donations and it was free to the children. Many parents appreciated all the work that went into it and said how much their children liked it.

The Youth Cafe is for young people of secondary school age and it runs most Friday evenings during term time. It is a safe space for young people to hang out with their friends and normally around 50 - 60 will come. They enjoy the comfy seats, games consoles, pool table, graffiti table, air hockey, and music. There is also a tuck shop and hot food is served. It is led by a pool of wonderful volunteers who have been PVG checked. Parents have remarked on how much their child enjoys the youth cafe and that they look forward to it each week.

The Kirk Session also supported the activities of the 2nd Bo'ness Boys Brigade Company with an award of £1,000 from the funds held in the Youth & Community programme.

Report of the Trustees for the year ended 31 December 2023

### Avenue Youth & Community programme/Bounce Higher Children & Families programme

The Avenue and Bounce Higher programmes remained suspended in 2023.

### The Tuesday Club

With the increasing incidence of dementia within the general population, the service provided by the Tuesday Club continues to be appreciated by families in the Bo'ness community. The Club meets weekly in St Andrew's Church hall. Through a programme of fellowship, food, activities, music, entertainment and outings, the Tuesday Club provides support for around 10-12 people with dementia, and their carers. The Club members enjoy the company of others and the activities, all of which are delivered by a paid Co-ordinator and up to 10 volunteers who commit to giving their time for the benefit of others.

In the economic climate, raising funds to ensure that the work of the Tuesday Club can continue is a constant challenge. In 2023 the Club was fortunate to receive a number of substantial private donations and awards from local bodies. The latter included grants that were kindly given by the Management Group and volunteer staff of Branches Shop and by Miller Homes Staff Community Fund; also by the Bo'ness Churches Together who donated the proceeds of the Advent Christmas Tree event. The Tuesday Club is grateful for all the financial contributions received.

### **Future plans**

In the previous section under Mission Plan, we noted that the Presbytery Mission Plan was remitted back to the committee for further discussion. At the end of 2023, it remained to be agreed and consequently our future plans cannot properly be determined until this has been resolved.

### **Financial review**

### Principal sources of funding

The Church is primarily funded by church members through their offerings and the associated Gift Aid.

### Results for the year

The Accounts for the year are set out on pages 7 to 11. The Receipts and Payments Account on page 7 shows a surplus of £4,822 (2022: deficit of £10,583), comprising a surplus on unrestricted funds after transfers of £4,487 (2022: deficit of £4,726) and a surplus on restricted funds after transfers of £335 (2022: deficit of £5,857).

The total funds of the church at the year-end are £68,094 (2022: £63,272).

#### Reserves

It is the policy of the church to maintain unrestricted funds of approximately 3 months' unrestricted expenditure. This allows sufficient funds to enable the ongoing work of the Church to be maintained. Per the Statement of Balances on page 8, the general fund at 31 December 2023 amounted to £31,391 (2022: £26,904) which meets this policy.

A long term liability is owed to the Church of Scotland for our Giving to Grow (previously known as Ministry and Mission) contribution of £68,897. The congregation repays this outstanding balance as and when funds are available to do so. The Kirk Session has agreed to pay the shortfall in the current year's contribution of £3,835 during 2024. There is no interest applied to this debt.

Proceeds of the sale of the old church manse are held by the General Trustees of the Church of Scotland on behalf of the congregation to meet the cost of future fabric maintenance.

Signed on behalf of the Trustees on 14 May 2024.

Report of the Independent Examiner to the Trustees for the year ended 31 December 2023

### Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity's Trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

### **Basis of Independent Examiner's statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### **Independent Examiner's statement**

In the course of my examination, no matter has come to my attention

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
  - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations (as amended)

have not been met, or
